

Says

What have we heard them say?  
What can we imagine them saying?

i heard him say is correct you heard in the past bat during that past time he was saying it in the present

you saw him in the past but he was giving it at that present time

i saw him give an envelope to the women this is the same construction

Thinks

What are their wants, needs, hopes, and dreams?  
What other thoughts might influence their behavior?

talk about your aspirations in unique terms while staying realistic and always keeping the position top of mind

get my license complete my study graduate on time

change someoneslife give more than i receive become a teacher

CERTIFICAT

i dream for rpeople to latch on and never let go of their health again

a learnable measurable sikll and one that has a sizable impact on student's

you have to dream your before your dreams can come true

fear is an automatic emotion be vigilant about reaction to fear emotion

fear mobilizes energy for movement and anxiety pushes it back down

subjective feelings peripheral physiological responses and overt behavior

Does

What behavior have we observed?  
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?  
What other feelings might influence their behavior?
